A black and white photograph showing a large, dense pile of bicycles and bicycle parts. The bikes are stacked haphazardly, with wheels, frames, and handlebars visible. The scene appears to be outdoors, possibly in a yard or a storage area. The text "AERIE 1980" is printed in a bold, sans-serif font across the middle of the image.

Samuel Lee Alfred Squire

One thing we will never relive are our memories,
they will forever be remembered but not changed,
We must forever look ahead into the future.
And when sadness comes, we must not dodge it.
But stand face to-letting it pass.
We must not be afraid to look back at the good times
they made us all happy and the days worth living.
And we must not be afraid to look back at the sad times
they made the good times better.
It is true, Our memories cannot be relived,
but they can be reseen
through mirrors in our minds.

Becky Hatstat

This year was the beginning of many things. A new decade, a new yearbook company, a new photographer, a new advisor, and a new staff. We tried a lot of different things with the yearbook and we hope everything turns out right. Remember though, if there are any mistakes, that we are only human and we make mistakes. Especially after working on the book for a couple of hours.

The yearbook staff started out with about 35 people. This number dwindled down to about 4 or 5 dedicated workers. The 2 people that deserve the most thanks are Linda Smith and Julie Kenner. If you have any praise give it to them. I'd also like to thank Mr. Whalen, Patty Prime, and Sissy Pechie. These people make working on the yearbook an experience to remember. I'd like to thank the rest of my staff for anything that they did.

Working on the yearbook is sometimes boring, fun, frustrating, and rewarding. A lot of hard work goes into the making of a yearbook. Often times it's only a few people who decide what picture is going in and what isn't. Yet the people who complain never join the staff and put their ideas in. Your ideas would be heard. All you have to do is go to the meetings. So next year don't sit around complaining because you don't like what's in the book, join your yearbook staff. It's worth it!

This yearbook is an important record of our years here at Mt. Abe. In the years to come when you're looking through to see what happened to everyone, I hope that it brings back good memories.

To all my classmates I hope that your lives will be happy in the years to come.

*Love,
Beth*

We, the class of 1980, would like to dedicate this yearbook to a lady who is always cheering us on and encouraging us in every way. She has put in a lot of her time to help our class and we appreciate that very much! Thank you Mrs. Cunningham!

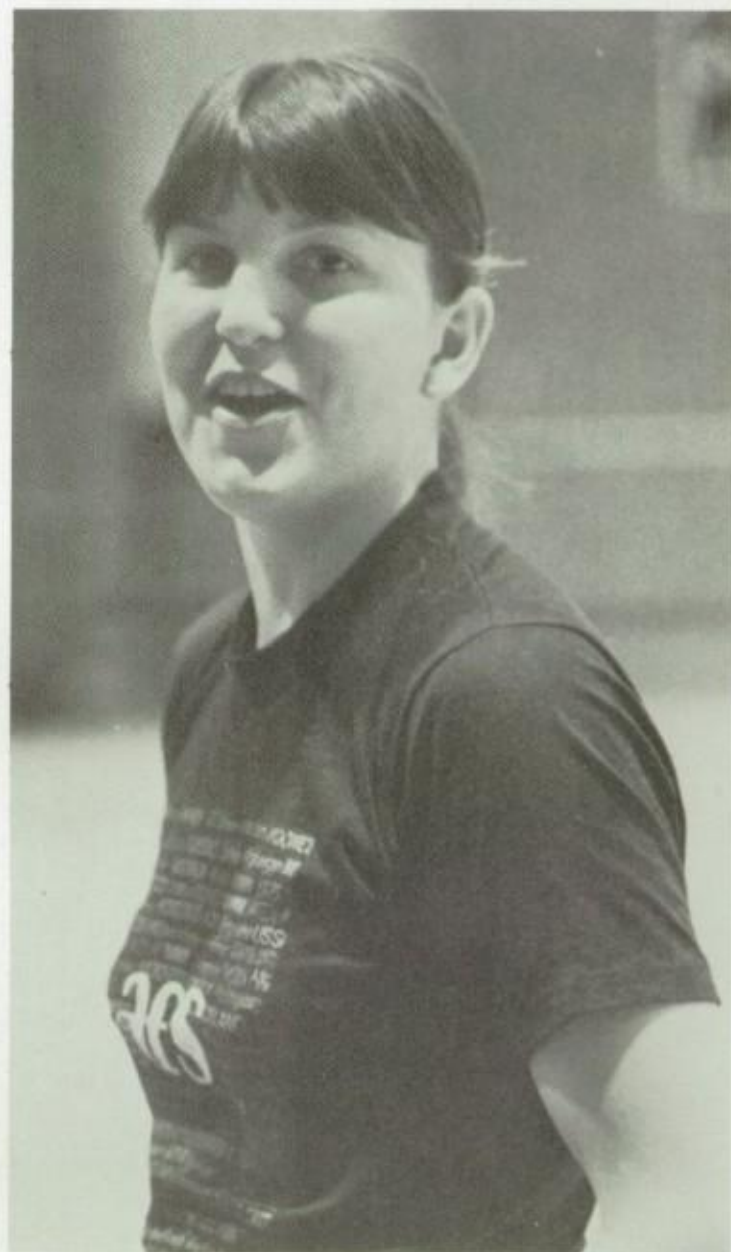

A.F.S. Exchange Students

It is very hard to express adequately my gratitude to Mt. Abraham; how much I appreciate and value my year here. The school system and fantastic facilities were very foreign to me when I first arrived but, I think, I soon found my place and since then I have found the year extremely stimulating both academically and sportwise. I had the fantastic opportunity of taking a course at Middleburg College as well as learning how to play basketball. These are just two examples of all the new and wonderful things I have and are still experiencing at Mount Abraham.

However the most important aspect of an AFS year is meeting and befriending new people and quite understandably many people, at first, could not make-out this white girl from the black unknown 'Dongas' (Slang for nowhere) but I think that has changed and I only hope that Mt. Abraham has gained something from this experience, as I know I have!

Many of you might understand the trauma and difference that one feels before going to a completely 'New Place' and I can safely say that this 'New Place' has become so much a 'home' to me that I know that I am going to miss it terribly when I leave. I know I will never forget all my experiences and life here at Mt. Abraham and in Bristol.

Tina Coombes

My name is Maria Amelia L. Portugal. I'm from Cachoeiro de Itapemium, Brazil and got here through the AFS Exchange Program.

I'm really glad I came here in Vermont. I found it fun to be a senior at Mt. Abraham, sharing everything with all the kids here. Of course I had my hard times, my frustrations but also my joys and accomplishments. The language in the beginning made things hard but I got over it with all the help and patience I found around. It was really neat to see how warmly people welcomed me, willing to talk, to get to know me, my country and let me know about them.

I found the year here fascinating, where I definitely had to contribute a good deal of myself as those around me did too. I've learned a lot and I'm sure I will be able to use it wherever I may live.

For all these reasons and a lot more than I don't know how to express, I would like to thank all of you, who in one way or another, made this experience so rich and possible for me. I wish all the best of luck to all of you.

I, Beth Perreault, thank Mr. Hoadley so much for the after school sessions and return to Spike Cinders his sanity. To the Bird Herd I leave my good table manners and I hope you use them.

I, Richard Pierce, will to Jeff Johnson an optic orange basketball, to Steve Randall a gallon of Mountain Dew, to my brothers (Chip especially) academic ambition and good luck to those who were friendly towards me.

I, Maria Amelia Portugal, think the only thing I can leave here is my friendship to anyone that wants it.

I, Robbie Preston, would like to ask Mr. Newman to put his shoes on for the sake of his next years classes, and to this school I say good-bye and thanks!

I, Marc Prime, leave my best wishes to Kathy Booska in knowing she will be excellent in the field hockey and basketball teams.

To Members of the Class of 1980

As you begin your push into the eighties; each of you will have the opportunity to make a new start. Your involvement, whether good or not-so-good, with school, or with family, community, or with life, over the past years, is yesterday. What is important is not yesterday, but today. Each new day provides for a new beginning. Let today, and each today, be a beginning of something good, something important, or something meaningful for you.

Congratulations, and best wishes -

The Agony Of Defeat

Varsity Soccer

Despite losing four games by one goal the team maintained a positive attitude and tried as hard as they could every game.

However, some team members had trouble adjusting to a new system and this deterred from our overall performance.

I want to wish the graduating seniors luck and hope that they will come back to support us in the future.

Coach Mulroy

Sitting: B. Wimett, P. Sumner, A. Huizenga. Kneeling: D. Lattrell, S. Randall, S. Betz, T. Forgues, S. Connolly, D. Cousino, F. Kurek, B. Knox. Standing: Coach Mulroy, B. Hatstat (Manager), D. Stetson, M. Prime, J. Peabody, S. Short, B. Cousino, G. Salvadore, M. Barrows, D. Mayer, D. Stetson, J. Lutton, L. Smith (Manager).

Varsity Field Hockey

Left to right: Coach Pellegrini, M. Portugal (Manager), M. Betz, L. Griggs, K. Steady, L. Sherman, T. Rockwood, P. Bird, W. Danyow, D. Larrow, L. Menard, M. Hoff, S. LaFoy, H. weston, S. Farr, T. Hallock, T. Coombes, P. Strickholm, B. Neil, S. Weston.

Although the season began slowly, the Varsity team earned a state tournament quarterfinal seed with a 7-6-1 season. With ten new and eight returning Varsity players, and a young, inexperienced defense, the girls worked very hard to develop stickwork and perfect strategy. Their constant improvement enabled them to compete evenly with every team in the league, although they frequently had trouble scoring. The season ended with 1-1 tie of state champion Harwood, and earned the Eagles a second game. Although the girls coordinated their best effort of the season, they lost 2-0 to the eventual state champions in a well-balanced, well-played game.

The 1979 season was a year of firsts. For the first time, exchange students joined the team. Tina Coombes contributed her expertise gained in South Africa, and Brazil's Maria Portugal very capably acted as manager for the season. The League selected its first All-Star team, and the Eagles had 3 nominees. Diane Larrow was selected to the team at halfback, and Suzy Lafoy and Karma Steady were named as Honorable Mention. With the help of Earl and Buzz, the mascots, this year's "Tower Power" team was outstanding in terms of their effort and improvement.

J.V. Soccer

Standing: D. Patterson, P. Lossman, T. Masse, J. Forgues, J. Choiniere, L. LeFurge, C. Weber, D. Benway, Coach Dean
Sitting: B. Godin, M. Weston, C. Brown, J. Billings, K. James, K. Smith, R. Forgues, J. Jerriman, G. Dike, J. Deale, T. Salvatore

This year's J.V. Soccer team had a very trying time during the first half of the year. We lost many games by one goal showing us that we lacked the intensity required to win the close ones.

As the season progressed, we gained maturity as a team and began playing competitively for the complete game instead of just parts of it. During the last half of our season we began to win the close ones as well as play much better soccer. As our skill level increased so did our awareness for the game. We, as a team, made great progress over the season and hopefully will help the Mt. Abe soccer effort in the years to come.

J.V. Field Hockey

First row: J. Williams, K. Perez, E. Severson, B. Peabody, C. Bourgouis, K. Knox, K. Weber, K. Booska, M. Diette. Second row: R. Masterson, G. Wry, Coach Howe, T. Smith, C. Masse, J. Kenner, C. Compagna, S. Menard, K. Perez, C. Hefferen.

Though the field hockey team had to start each game with mostly freshmen, they proved that class standing doesn't compare with skill and ability. The girls ended their season with a 3-1-4 record, coming back to win over Essex in the second match and tying with Middlebury.

The season certainly was a successful one and next year should prove to be even better, as the freshmen continue to show their aggressiveness.

Cross Country 1979

To run is to dance with the earth. This Fall a small band of athletes formed a group so that they might run together, sharing in the pleasure and challenge that running brings.

In other sports, one must compete with others. In running, one competes with oneself to improve and do the best one can. There needn't be any loser. All in the group achieved personal best performances and saw their running horizons broaden.

During the Fall, the group took part in high school cross-country meets, road races, and the Northern League and State meets. Karen Wisell ran well enough to represent the state of Vermont at the New England Meet.

Even though the cross country season closes in November, the running season knows no end; the dance continues.

The 1979 - 80 Boys Varsity ran into rough sledding this year recording a 1 - 18 record.

Mt. Abe again was undermanned in the size department, but began to play competitive basketball towards the end of the season, which is a hopeful sign.

The J.V. Eagles posted a 12 - 8 record. The best in six years. The J.V. Eagles have height and speed. The future is bright for Eagle Basketball fortunes in the coming years.

The Girls' Varsity Basketball Team started the season slowly. Because of the change in offense and the introduction of a pressure zone defense, it took the players time to learn this new style of play. We also had injury problems. The second half of the season, however, was well played. Winning three games in a row, a very inexperienced team began to work well together, both on offense and defense.

The two highlights of the season were our victory over Milton (who went on to the playoffs) and beating Vergennes in the last five seconds of the game.

We look forward to next year with a good returning group of players who have had a year experience as a team!

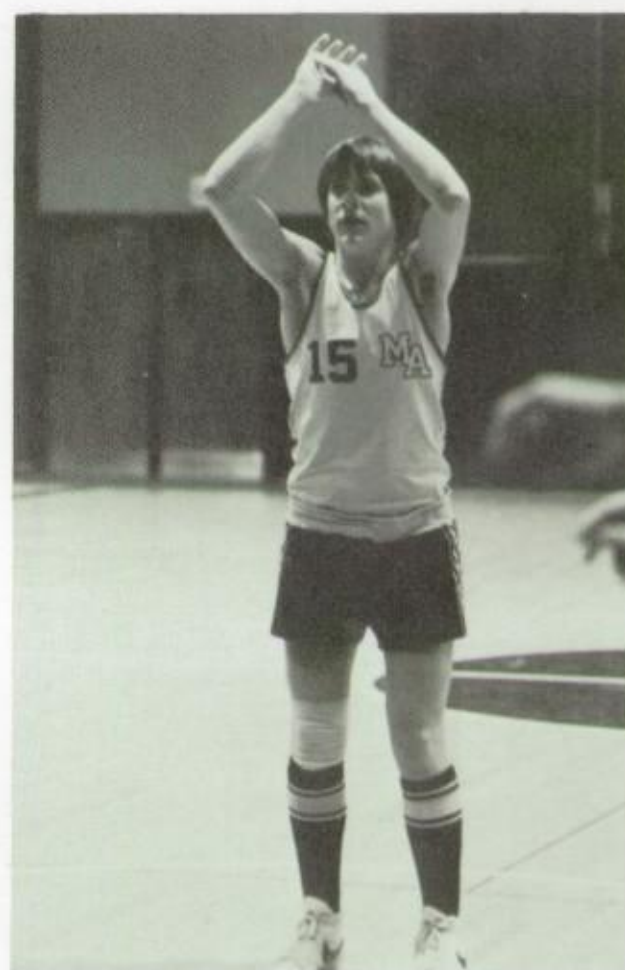

Junior Varsity Boys Basketball

Kneeling: D. Paterson, M. Brouillard, G. Wry, J. Deale, R. Forgues, T. Salvatore Standing: M. Pixley, J. Choiniere, T. Masse, J. Forgues, J. Harriman, S. Slayton, J. Endicott, B. Heffernan, L. LeFurge, K. Smith, G. Dike, Mr. Hutchinson

The J.V. Basketball team had a good season this year with a 12 - 8 record. The team was well rounded with ball handlers, as well as good board strength. The consistency of the teams play was their weakest point. The transition from J.V. to Varsity basketball is a big one. I feel that in order for the team to be successful in Varsity basketball, the team will have to become more consistent.

This year's Girls Junior Varsity basketball team consisted of many inexperienced players. The year was devoted mostly to developing individual skills and employing them in a team concept. Although the team's record was 5 wins and 11 losses, most of the games were exciting and enjoyable for the players and spectators. A "run and gun" style of play was used, thus allowing all players to participate in the games.

Many long hours of work were put in by all the players. Each and every player was allowed to develop her skill as much as possible this year. Although long hours were put in, all the players enjoyed participating both in practice and games. A special thanks goes out to all the spectators this year; hoping they enjoyed watching the games as much as the players enjoyed playing them.

Playing with a lot of enthusiasm and hustle the Jr. High Basketball team stayed close in every game.

The two highlights of the season would be the first game of the season when we almost upset Vergennes 49 - 43 and a second place finish in Vergennes Tournament. Our final record was 3 - 6.

First row: L. Baker, C. Kurek, B. Peabody, W. Boyer Second row: C. Chaussee, K. Pandiani, A. Brassard, S. Wry, M. Blow, B. Boise Third row: K. Boise, C. Pelkey, A. Nelson, G. Prime, L. Pixley, L. Vrooman, Coach Sue Howe. Absent: M. Fisher, V. Johnson

Though the Junior High Girls' Basketball team played a short season, they came out on top at two area tournaments, bringing home a first place trophy at each. Due to a cut in budget, the season schedule was shortened. Therefore area coaches set up tournaments involving Otter Valley, Middlebury, Vergennes, and Mt. Abraham to give players a chance of more game time, and to make new friends and learn more about the sport.

In the years I have coached here at the Junior High level, this year has produced the strongest and most successful team. The eighth graders were fairly tall, fit individuals with good shooting and rebounding abilities. Outstanding players were Genie Prime, center and high scorer; Andrea Brassard, a quick and agile guard who added many fast break points teaming up with Genie; Other strong players were Michelle Blow, Alice Weston, Angie Nelson and Linda Pixley. A lot of the seventh graders will be filling the shoes well of those graduating eighth graders. During their high school years, this particular group should turn out some successful J.V. and Varsity teams," says Coach Howe.

A young Eagle team wrestled its way to a 3 win - 15 loss season. Inexperience and forfeits at 91 and at the upper weights hurt the team as we battled most teams evenly in all the other weights. Mike Cook was the team's most outstanding performer this season as he compiled a 19 win - 3 loss record on way to a 2nd place finish in the State Tourney at 119, earning a position on the New England Wrestling Team from Vermont. Mike was an individual Champion at the Mt. Mansfield Tournament and at the North Country Union Tournament where he was voted the Outstanding Wrestler.

Richard Pierce, a first year wrestler, is the only Senior on the squad as the team looks forward to the 1980 - 81 season. Four persons placed in the State Tournament and all return for the next season. These were Nelson O'Bryan, Jeff Johnson, and Chip Pierce along with Mike.
